

Anglais Juridique L1 - 2ND Semestre

- I. Discuss the following sentence *"The chief function of Congress is to enact laws. The House and the Senate have equal legislative functions and powers"*. (10 points)
- II. *"Vaccines are one of the most effective tools for protecting people against COVID-19. Consequently, with COVID-19 vaccination under way or on the horizon in many countries, some may be considering whether to make COVID-19 vaccination mandatory in order to increase vaccination rates and achieve public health goals and, if so, under what conditions, for whom and in what contexts."*

State your position on the legality of mandatory COVID-19 vaccination and provide supporting arguments (minimum two pages). (10 points) *

* IMPORTANT NOTE: Plagiarism is defined as *the unacknowledged use of the work of others as if this were your own original work*. Plagiarism will not be tolerated, and the penalty may be severe and may lead to failure in the exam.

Good Luck!
