Students shall reply to the below case by preparing a pleading using the IRAC method.

- On 1 January 2022, Pegasus Co. (a multinational trading company) assigned a case before the Egyptian court to Potter & Co. law firm, and agreed on 1M USD professional fees.
- On 5 April 2022, the Opponent of Pegasus Co., Yugi Co., contacted Potter & Co. law firm and informed him of the existence of a family relation with one of the best friends of the managing partner of Potter & Co..
- On 6 April 2022, and noting that there were an audience on 8 April 2022, Potter & Co. communicated to his client about Yugi Co.'s call.
- On 7 April 2022, a settlement agreement has been concluded by Yugi Co. and Pegasus Co. and, on the same day after the settlement, Potter & Co. terminated the PoA with Pegasus Co., and requested the payment of the professional fees.

- On 8 April 2022, Pegasus Co. communicated to Potter & Co. their non-intention to conduct the payment of the professional fees because the dispute ended by settlement and there were no enough procedures conducted yet, and that the PoA were suddenly terminated against the obligations of the lawyers stated by the Lawyering law.
- Potter & Co. sued Pegasus Co. for payment of the professional fees, and Pegasus Co. replied by claiming damages occurred by the sudden termination of the PoA.

Students shall prepare the defenses of the two sides, and will plead for one of them determined by chance against another team.

Teams of defense shall be composed of 1 to 4 members.

**GOOD LUCK !**
